
TxDOT's four goals: Maintain a safe system, address congestion, connect Texas communities, and be a Best-in-Class state agency

For Immediate Release

FRIDAY, JUNE 14, 2013

Meeting scheduled to discuss traffic on segment of FM 1788

Focus is on segment stretching from Highway 191 to Highway 158

MIDLAND COUNTY – An open house-style public meeting is scheduled Monday evening (June 17, 2013) to solicit comments from the public concerning FM 1788 from just south of Highway 191 to just north of Highway 158.

The Texas Department of Transportation wants to hear from citizens to understand concerns on this segment of FM 1788. A consultant has been hired to evaluate options to improve traffic flow in that area. The focus of improvements is on widening the road in that area.

The meeting is scheduled from 5 p.m. to 7 p.m. on Monday, June 17, 2013, in UTPB's CEED Building, 1400 North FM 1788, Midland, (southeast corner of SH 191 and FM 1788)

From 5 p.m. to 6 p.m., TxDOT will conduct an open house meeting to discuss ideas with the general public. At 6 p.m., we will have a formal presentation of the project and describe a preliminary plan.

If you have special communications needs, please contact Gene Powell at 432-498-4746.
